The Hardman is the official piano of the Metropolitan Opera House

### Chosen from the Pianos of the World

THE Metropolitan Opera House maintains its position of preeminence by cultivating the musical resources of the world. Thousands of artists are given a hearing—numberless manuscripts of operas are examined—that new ability may be discovered.

The same degree of diligence was devoted to the selection of the Official Piano. The fact that the Hardman was finally chosen is the most signal honor ever accorded the musical qualities and enduring excellence of a piano.

There is a Hardman-built Piano to please practically every purse
